

Dear Friends of ASAP,

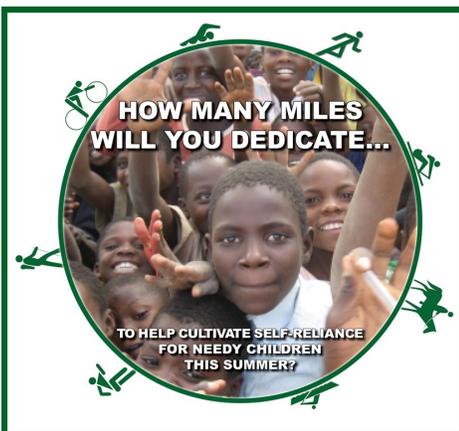

Spring is here! You helped to cultivate the seeds of hope. Now ASAP's programs in [Zimbabwe](#) and [Malawi](#) continue to flourish sustainably. Because of your past support for ASAP's [Internal Savings & Lending \(IS&L\)](#) micro-finance training, thousands of families are better able to meet their own needs each day. Thank you!

The Program Managers from ASAP Zimbabwe, Joseph Miti, and ASAP Malawi, Twisiwile Mwaighogha, recently attended [Hugh Allen's](#) IS&L workshop in South Africa. This was an excellent opportunity to learn the newest methods and to share professional expertise and insights. Thanks to Plan International in Zimbabwe and The Malawi Microfinance Network for sponsorship and for helping ASAP prepare for future growth.

Spring is a time for new beginnings. Today in the US, ASAP is sowing new seeds to establish our [Tools For Empowerment](#) project partnership with the [Salesian Missions of Don Bosco](#). With your continued support, this program too will soon bring self-reliance and the promise of a better life for more families around the world.

Hugh Allen shares new IS&L technology with ASAP's Program Managers Joseph Miti & Twisiwile Mwaighogha

You can help ASAP kick-start this new project by participating in our 2<sup>nd</sup> annual "Circle Our World With Love" campaign. During the fourteen weeks between Memorial and Labor Day (May 27- Sep.2), dedicate miles either from your weekly fitness goal or a specific event, to the campaign. Together we will create a circle of compassion around our planet and reach our 24,900 mile goal this year! [Click here](#) to learn more.

Please help spread the word. Post the "Circle Our World With Love" campaign poster in your local health club, church, community center, bike shop, school... anywhere your active friends meet.

[Click here](#) to download and print the poster now.

Your continued interest in ASAP motivates and inspires our work. Thank you again.

Sincerely,  
Tom Arsenault  
President
