

Tools for Empowerment

Dear Friends of ASAP,

We ended 2025 with so much to look forward to in this new year, thanks to supporters like you!

New this season

*Passport to Philanthropy
Performance Inspires!*

Non-Profit Summit - Inspire, Innovate, Influence.

ASAP was honored to be invited to participate in the fifth annual Non-Profit Summit again this year, thanks to the generous support of The Caring Communities Foundation. This is an annual opportunity to network with fellow nonprofit professionals from community-changing organizations. It was two fun-filled days of learning and sharing experiences, challenges, and aspirations with Nonprofit Summit attendees - Executive Directors, Director of Development and thought leaders from some of the most impactful nonprofits in Georgia.

Save the Date- May 21st!

ASAP will be sharing volunteer opportunities and information about Tools for Empowerment at the 7th annual Veteran's Expo at the Summit YMCA. This free, family-friendly event is dedicated to honoring the brave men and women who have served our country. It's more than an expo—it's a chance to connect with valuable resources, meet local veteran-owned businesses, and enjoy a community that truly appreciates your service and sacrifice.

Plan to attend Veterans Expo on Thursday May 21 at the Summit YMCA

Thanks to our awesome community!

It's our volunteers, tool donors and financial contributors that make our work possible!

Young Conservatives Club*

A Future Eagle Scout

Thank you Clark Hill!

NHS Trinity Christian School Volunteers

Here is a special shout out to Northgate Young Conservatives and National Honor Society from Northgate High School and Trinity Christian School for your awesome service!

We are proud to share a small glimpse of our mission through everything ASAP has been a part of. With you, we really do **change lives, one tool at a time.**
