# Tools For Empowerment

Dear Friends of ASAP,

As the flowers bloom and the days grow longer, we are reminded of the beauty and promise that spring brings. This season, our community has embraced the spirit of generosity and determination, working together to make a positive impact both locally and globally.

## New This Season

**A Big Thank You to our Volunteers!** This spring, students from Trinity Christian School and Northgate High School volunteered by refurbishing and preparing tools to send to graduate students in the Dominican Republic! ASAP also received generous support through donations and assistance from many families and individuals across the county!
