Tools For Empowerment

Dear Friends of ASAP,

As the days grow longer and the warmth of summer embraces us, we are excited to share the latest updates and achievements from our nonprofit community. This season is a time of growth and reflection, and we are thrilled to showcase the incredible work that has been accomplished thanks to your unwavering support!

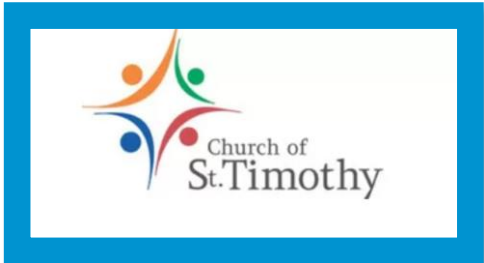

New This Season

Volunteers refurbishing trade tools donated by the local community!

Tools going to the Dominican Republic ASAP’s volunteers are working hard to clean, package, and refurbish tools so they can be sent to the Dominican Republic by the end of this year. Currently, our 40-foot container is only half full of tools. We invite you to join us in filling it up completely, so we can ensure that graduating students in the Dominican Republic receive the tools they need for success. Your help will make a significant difference!

A Big Thank You to the Church of St. Timothy In addition to our dedicated volunteers, we would like to express our sincere gratitude to The Church of St. Timothy in Blaine, MN, for their assistance and fundraising efforts on behalf of ASAP during Lent. The Church of St. Timothy has wholeheartedly supported and embraced ASAP as an essential part of their social justice outreach program. This year, they donated \$3,370 to our organization! We deeply appreciate their commitment and support, which has been instrumental in furthering our mission.

A big thank you the Church of St. Timothy!
